Notice of intended tree work at Northborough Primary School

Monday 17th to Friday 21st February 2025

Dear Northborough Residents,

Following consultation with Peterborough City Council and Northborough Parish Council, the school will be undertaking work to fell seven poplar trees to rear of the school between Monday 17th and Friday 21st February 2025.

The work is being undertaken due to ongoing health and safety concerns for the trees, the public pathway, pupils and neighbouring buildings.

The public footpath running parallel to the school (accessible via Church View and Church Street) will be closed throughout as a mandatory safety measure.

We thank you for your patience and understanding during this short period of disruption.
