1828/15 Drainage to Village Hall

Parish Councillors held a discussion in respect of the problem with the drains from the Village Hall to the main sewer.

They consider the Lease with the Village Hall is not clear in respect of the liability for the drains outside of the one metre area around the Village Hall.

There is currently a problem with two lengths of drain, which are in need of repair. **It was agreed that** the Parish Council would pay the cost of the repairs.

It was agreed to accept the single quotation of Adaptable Solutions in the sum of £1,453.00. The work will require two days to complete and will involve the Village Hall in limiting the use of the hall for these two days.
